STAIRWAY TO HEAVEN

Intro: There meanings (Am - Fmaj7), vybrnk.

Led Zeppelin

There's a lady who's sure all that glitters is gold.
 And she's buying a stairway to heaven.
 When she gets there she knows, if the stores are all closed
 With a word she can get what she came for.
 Oooh, oooh, and she's buying a stairway to heaven.
 There's a sign on the wall but she wants to be sure
 'Cause you know sometimes words have two meanings.
 In a tree by the brook, there's a songbird who sings,
 Sometimes all of our thoughts are misgiven.

There's a feeling I get when I look to the west,
 And my spirit is crying for leaving.
 In my thoughts I have seen rings of smoke through the trees,
 And the voices of those who stand looking.

 Oooh, it makes me wonder.
Am7 Dsus4 D **Am7 Em D C D**
 Oooh, it really makes me wonder.

And it's whispered that soon if we all call the tune
 Then the piper will lead us to reason.
 And a new day will dawn for those who stand long
 And the forest's will echo with laughter.
