PIGS ON THE WING

Pink Floyd

Intro: G C 3x G

If you didn't care what happened to me, **Am7/B 01022x**
 And I didn't care for you, **A7 002223**
 We would zig zag our way through the boredom and pain
 Occasionally glancing up through the rain.
 Wondering which of the buggars to blame
 And watching for pigs on the wing.

Solo: C G C Am D Am D C Am G C G C G C G

You know that I care what happens to you,
 And I know that you care for me too.
 So I don't feel alone, Or the weight of the stone,
 Now that I've found somewhere safe to bury my bone.
 And any fool knows a dog needs a home,
 A shelter from pigs on the wing.

STAIRWAY TO HEAVEN

Led Zeppelin

Intro: There meanings (Am - Fmaj7), vybrnk.

There's a lady who's sure all that glitters is gold.
 And she's buying a stairway to heaven.
 When she gets there she knows, if the stores are all closed
 With a word she can get what she came for.
 Oooh, oooh, and she's buying a stairway to heaven.
 There's a sign on the wall but she wants to be sure
 'Cause you know sometimes words have two meanings.
 In a tree by the brook, there's a songbird who sings,
 Sometimes all of our thoughts are misgiven.

There's a feeling I get when I look to the west,
 And my spirit is crying for leaving.
 In my thoughts I have seen rings of smoke through the trees,
 And the voices of those who stand looking.
Am7 Dsus4 D Am7 Em D C D PŘ3
 Oooh, it makes me wonder.
Am7 Dsus4 D Am7 Em D C D
 Oooh, it really makes me wonder.

And it's whispered that soon if we all call the tune
 Then the piper will lead us to reason.
 And a new day will dawn for those who stand long
 And the forest's will echo with laughter.

A fool in love A crazy situation Her velvet glove

Knocks me down and down and down and down

Her kiss of fire A loaded invitation Inside her smile

She takes me down and down and down and down

Her moves look good A touch of desperation From where I stood

She turned my head around, round and round

Taking me back down the road that leads back to you

 a proto, za to ručím, mě teď mučí pořád víc

Je to golem a má knír

S řídou chrápe, prostě hnůj

Je to k blití, dyť to znáš
